The Equitable Trust Company of New York, Trustee

These bonds, in the opinion of our counsel, are the direct obligation of the City of Rio de Janeiro, the capital of Brazil, and are issued under the authority of the Federal Government of Brazil.

In addition, the municipality has deposited with the Trustee £7,500,000 (\$36,375,000) par value of bonds which form part of an issue of £10,000,000, of which £2,299,540 are at present outstanding in the London Market,

tender for the payment of the Municipal tax on real estate, and that tax may itself be collected by the Trustee.

It is provided in the bonds that in case of default the coupons of the deposited bonds become legal

The legal details relating to this issue have been approved by Messrs. Curtis, Mallet-Prevost & Colt of New York and by their Brazil office.
